WHEN CANDIDATES ARRIVE

- Check and collect each candidate's photo ID — driver's license, state ID, military ID, employee ID, green card, or valid passport. No photocopies.

Hold all IDs for the duration of the exam.

- Have your Proctor Access Code ready
- Have candidates sign the Entry/Exit Log

They must sign it every time they leave the room, including restroom breaks.

- Assign seats; direct candidates to store all personal items away from their exam seat

No phones, bags, calculators, or electronic devices at the seat.

- Notify candidates they have 2 hours to complete the exam (online) or 3 hours total (print)

Exceptions only for pre-approved accommodations.

- Read the "Read Before Exam" script from your session confirmation email aloud
- For online exam: verify the candidate's name (not yours) is displayed before entering your Proctor Access Code

DURING THE EXAM

- Walk the room periodically to observe — do not disturb candidates
- Only one candidate may use the restroom at a time; log extended absences as an irregularity
- Do not assist candidates with exam content under any circumstances

- Print: collect sealed exam booklet and answer sheet from each candidate; submit to ServSafe

Scores available 3–4 business days after ServSafe receives answer sheets.

- Return photo IDs to all candidates
